International, National and Local Public Notice
Objection in the Matters of Robert S. Radnich and the
Continental Public Bank

Robert S Radnich (hereinafter, “ Rob”) has claimed that the Continental Public Bank (hereinafter “Bank”) is fraudulent , declaring the Bank requires an address, to have any kind of legitimacy. Rob has been provided the address for the Bank personally, multiple times, and further is not strenuous task to find the address but is given freely on the About Us page of the Bank website . However, Rob continues to twist any reasonable proof to the existence and legitimacy of what the Bank is, to fit Robs Communist Ideology. “The rich will always be rich, I just want a system that is fair and doesn't just continue to funnel money to the top through inflation.” -Robert S. Radnich

This statement clearly shows that Rob is not a Capitalist and continuously pushes a Communist Agenda to further his own belief of this Political Ideology. The Government of The United States of America has outlawed Communism within the metes and bounds and seaward boundaries of The United States of America and these slanderous claims for political aims are not tolerable. Here is the address of the Bank again Rob.

The Continental Public Bank is the only Public Bank in existence that is not part of the American Bankers Association, the federal reserve system, nor the Bank of New York Mellon. This is the best opportunity that we know for the people to get out from under the Debt Instrument known as the Federal Reserve Note and will not fall to Robs push for the furtherance of a Communist system. The office of the Treasury hereby objects to all slanderous claims coming from Rob regarding the Bank.
