NOTICE OF LIABILITY FOR ALL INDIANA COUNTIES

To All County Board Members and County Commissioners

My name is Brandon Scott Gibbs, I am the Chapter 15 State Coordinator for the North American National Party for The United States of America which operates within the metes and bounds and seaward boundaries of The United States of America and States of the Union [LINK](#)

It has been brought to my attention that Eric Holcomb, governor for the political subdivision state of Indiana, attended the 2022 summit in Davos, Switzerland for the World Economic Forum [LINK](#) and is part of the Satanic Theosophical Society. Said Satanic Theosophical Society has been outlawed within the metes and bounds and seaward boundaries of The United States of America. [LINK](#)

Any corporate policies passed at the city or county level as "law" from a satanic organization disguised as corporate policy coming from the office of Eric Holcomb that creates oppression on the United States inhabitants will be Internationally Noticed and exposed. An affidavit will be prepared and filed with the Human Rights Tribunal of The United States of America for Human Rights violations.

I hope you understand the seriousness of Human Rights violations and they will no longer be accepted just to fill the pockets of those who operate private Trust accounts and take advantage of the United States inhabitants who were not taught anything about the Universal Declaration of Human Rights, have been further made into Public Law(s) 101.[LINK](#)

If you have any question, please feel free to reach out to me at the email above or 618-499-4192. Thank you for your time and hopefully your cooperation in this matter.

Regards,

Brandon Scott Gibbs
Chapter 15 State Coordinator
