Chapter 15 State of Indiana

July 15, 2022

To whom it may concern,

My name is Brandon Scott Gibbs. I am the Chapter 15 State of Indiana State Coordinator for the North American National Party for The United States of America which operates within the metes and bounds and seaward boundaries of The United States of America and States of the Union. [LINK](#)

It has been brought to the attention that your company has brought back the communist mask mandate for your employees, visitors, and affiliate businesses which consist of a violation of Public Law 83-637 [LINK](#), and

These mask mandates are put in place to oppress to the U.S. inhabitants. As of today, we have enough evidence conducted by different Institutions proving that masks are completely inefficient and are causing harm to the populace. [LINK](#) Trying to ignore the fact that the mask mandates are just a tool to oppress the U.S. inhabitants will be considered as human rights violations and violations of the Nuremburg Code.

By pushing the mask mandate policies on your employees and patrons will engage your liability. You will not be able to hide yourself behind the “I was just following orders” excuse.

I hope you understand the violations, [LINK](#), you will be committing by forcing the mask mandate. [LINK](#)

If you have any questions, please feel free to contact me at the email address above or by phone directly at (618) 499-4192.

Regards,

Brandon Scott Gibbs
