Chapter 6 State of California

Friday, July 15, 2022

NOTICE OF LIABILITY FOR ALL CALIFORNIA COUNTIES

To All County Board Members and County Commissioners

My name is Jason Westley Hall. I am the Chapter 6 State of California State Coordinator for the North American National Party for The United States of America which operates within the metes and bounds and seaward boundaries of The United States of America and States of the Union [LINK](#).

It has been brought to my attention that Ted Lieu, Congressman from the political subdivision of California (D), 33rd District, U.S. House of Representatives, as well as Darrell Issa, Congressman from the political subdivision of California (R), 50th District, attended the 2022 summit in Davos, Switzerland for the World Economic Forum [LINK](#) which is part of the Satanic Theosophical Society. Said Satanic Theosophical Society has been outlawed within the metes and bounds and seaward boundaries of The United States of America. [LINK](#)

Any corporate policies passed at the City or County level as “law,” “Charter,” or “Ordinance” from a satanic organization disguised as corporate policy that creates oppression on the United States inhabitants will be Internationally noticed and exposed and considered as a violation of the Public Law(s) 101 Universal Declaration of Human Rights.

I hope you understand the seriousness of Human Rights violations and they will no longer be accepted just to fill the pockets of those who operate private Trust accounts and take advantage of the United States inhabitants who were not taught anything about the Universal Declaration of Human Rights, which have been further made into Public Law(s) 101 [LINK](#).

If you have any question, please feel free to reach out at the email above. Thank you for your time and hopefully your cooperation in this matter.

Regards,

Jason Westley Hall
Chapter 6 State Coordinator
