It has been brought to the attention of North American National Party for The United States of America (hereinafter "NANP") that your organization is a mosque for the Muslim religion for the nation of Islam and is currently supporting the Islamic Life Center in the adjunct city of Carmel within the political subdivision of Indiana. In Article 32 of the Bilateral Social Compact Agreement by and between the people for The United States of America, Islam is outlawed within the metes and bounds and seaward boundaries of The United States of America. [LINK](#) The United States of America has since objected to any form of Sharia Law within the metes and bounds and seaward boundaries of The United States of America or any one of the United States [LINK](#).

The following statement found on Al-Salam Foundation's website disguises the organization's true intent of its Quran:

Al Salam Foundation is an Islamic non-profit organization, established in 2012, for the purpose to undertake and engage in religious, charitable, educational, and cultural activities. Al Salam Foundation also promotes friendly relations between Muslims and people of other faiths to foster a Muslim community based on Islamic principles of universal brotherhood, equality and tolerance.

Al-Salam Foundation's Quran:

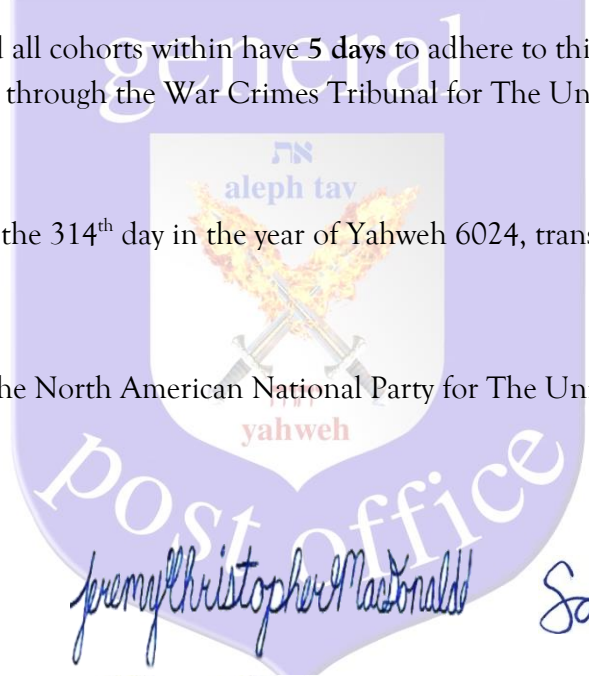

"...I will throw terror into the hearts of the mushrikun/unbelievers/idolaters/ALL non-Muslims: smite you above their necks/behead them and smite all their finger tips off them. This because they contended against Allah and His Messenger (Muhammad): if any contend against Allah and His Messenger, Allah is strict in punishment." Sura 8:12-13;

Al-Salam Foundation is a communist organization that promotes communism, totalitarianism, Satanism, Baal Peor, and human trafficking. The Muslim religion fronts Islam with its attempts to invade countries around the world where Vatican City gives out the orders for those invasions. Your purported Foundation is trespassing and shall not be honored in its existence. Al-Salam Foundation is to **cease and desist** all activity and occupation immediately.

Al-Salam Foundation and all cohorts within have **5 days** to adhere to this notice by NANP, or face actions against war crimes through the War Crimes Tribunal for The United States of America.

This notice is effective on the 314th day in the year of Yahweh 6024, translation date 27th of January, 2023.
